MEMORANDUM FOR: Deputy Director for Intelligence  
Director of Current Intelligence  
Director of National Estimates  
Director of Strategic Research  
Director of Economic Research

SUBJECT : Law of the Sea Conference

1. As you know, OBGI has for some time been following developments relating to the international law of the sea, and is actively supporting the inter-agency Law of the Sea Task Force chaired by the Department of State.

2. Two of our analysts recently attended the Law of the Sea Institute's Fifth Annual Conference at Kingston, Rhode Island. I am attaching a copy of their report on attendance at this event, in the belief that you will find the substance to be of interest.
